

“All Students Learning Well, Without the Loss of Enthusiasm for Learning”

Week At a Glance

May 6, 2019

Mission

Students, Staff, and Community Dedicated to Excellence

Vision

The Marcola School District promotes academic excellence, ethical and responsible citizenship for all its students in a safe, supportive, and enriched learning environment

Staff, Community and Students,

Another beautiful week-end and it looks as if we have sun and warmth all next week. I am very happy to announce that we have hired a new elementary Principal, Mr. Terry Augastadt. We had several very talented and experienced administrators apply for the position, Terry was the top choice by staff and administration. I am thrilled to have the opportunity to work with Terry next year, he is a great fit for our school district and community.

This week, I will meet with the elementary PTO on Tuesday at 5:30 for an open discussion on any and all topics that people would like to discuss. I am planning on discussing staffing and personnel for the 2019-20 school year and actions for hiring additional staff in the Fall if our numbers continue to increase. Another important topic is communication. Recently, I have had a few “facebook” comments sent to me anonymously from people who are upset that we have community members who are spreading false information about the district. We do our best to teach students how to use social media appropriately, perhaps we should offer social media training for adults as well. I will address the false accusations of the district and district personnel at the PTO meeting and at the next school board meeting. For the majority of parents who continue to work with the district in a very positive and collaborative manner, please know we appreciate your consistent feedback as we continue to make significant progress to provide a quality education for every student we serve, Thank you.

Celebrate Teacher Appreciation Week!! Although, Teachers should be celebrated every day, Teacher Appreciation Week is always celebrated on the first full week of May every year. Every day our Teachers are changing the lives of the children they serve, and their work and impact extends way beyond the 4 walls of a classroom. When you get a chance, please take the time to Thank A Teacher for all they do to help our children achieve success.
