## Oregon FFA State Convention:

The Oregon FFA State Officers streamed their State Convention virtually on Facebook! This was held on Thursday, March 19, and Friday, March 20th. There were a total of 6 sessions, where each of the state officers gave their retiring addresses. During the third session state degree applicants were recognized, including our state degree achiever, Clarissa Turpin! ## **Mohawk FFA Alumni & Supporters Association**

The art contest that is typically at State Convention will be at State fair this year.

### **Alumni Dinner and Auction:**

The Alumni and Supporters Association will be rescheduling the date of the auction. The Mohawk FFA Alumni and supporters dinner and auction goes to support our Mohawk FFA members directly. They support things the chapter cannot. They are really sorry about the postponement and hope to reconnect with all of you.

### **Helping Hands:**

During this time of need, our FFA advisor, Kelli Fisher has organized a food drop off sight (where exactly?) located at Mohawk High School. The donations will go to families that are in more need at this difficult time for all of us. All donations are welcomed and appreciated!

### **Fair:**

Congratulations to all Mohawk FFA members that got their animals for fair this last month! We are excited to see the progress each of you will have made up until you show at Lane County fair in July!

FAIR CAMPING HAS BEEN POSTPONED: TBA

### **FFA Events:**

Competitions, meetings, community service gatherings, and fundraising events are either postponed or cancelled at this time. Only thing that is on the calendar is the due date for officer applications.

### **Officer Applications:**

Applications are due on April 9th 2020. All signatures will be waived at this time and should be submitted via online on the FFA google classroom. Interviews are to be determined. Greenhand Officer application will be released after the original officers have turned in their applications and are due April 30th. The greenhand officer

Vice President - Jake

Secretary - Dianna Greenacre

Treasurer - Lori Meyer

applicants will be interviewed by our advance officer team. To be an officer you need to possess leadership qualities that will help expand and grow our chapter. These qualities include; responsibility, diligence, kindness, positivity, timeliness, respect, determination, and many more. You are better able to help others in our chapter and set an example for them to follow when you possess such qualities. Our officers are the face of our chapter and represent us as a whole. That is why it is such an honor to uphold an officer position, in addition to helping others in the chapter reach unspeakable heights as well.

---

### OFFICER REMINDERS

**Treasurer:** State convention and shirt money will be reimbursed. If you ordered a sweatshirt when the email from Petyon went out last week, a check for them needs to be made out to Mohawk FFA. (Lily Eisele).

**Reporter:** Check out our instagram page @mohawk.ffa! We will be holding a chapter photo contest in the Month of April!

---

### THIS MONTH'S COMMITTEE REPORTS

**Fair:** At this time all events except fair have been postponed or cancelled. Please check email for updates.

**Banquet:** Mohawk FFA Spring awards banquet has been rescheduled. We've had feedback that isn't a good day either, so we will keep you posted.

**Fundraiser:** Pending fair fundraiser at Papa's Pizza in April, please check email for updates.

**CDE Tracking:** Practices are cancelled until school picks back up again.

**Community Service:** All community service projects have been cancelled.

THIS MONTH'S

### A Word From Our Reporter

During these times I know it's difficult to keep ourselves busy, so chapter members don't forget that you can study for your CDE virtually via google classroom. Peyton Robinson, our CDE Tracking Committee Chairman will be sending out an email with all the classroom codes. Forestry is my main CDE and I have created plant identification flashcards that are currently posted in the Forestry classroom. I plan to make tool identification flashcards as well, so keep your eyes peeled. Almost all of the CDE classrooms have past knowledge tests posted to help prepare you for this year's knowledge test. Our chapter meeting is still being held virtually this month on April 8th, during our normal lunch time. The link to the meeting is posted in the FFA classroom. Lastly, I recommend watching the virtual state convention if you haven't already! Hope everyone stays safe and healthy!

Sincerely,

Natalie VanderPloeg Mohawk FFA Chapter Reporter
